Dear Rakesh,

According to agents Pacific Legend is already there, and she will berth tonight (if another vessel that is on the terminal will complete their cargo ops today, which depends on weather for them to complete cargo ops)

Pacific Legend will have 50 hrs of cargo ops, about 2 days, if she berth tonight she will be there until Jun 26th

We are still waiting the supplier to reply and offer for above basis. Come back asap.

Rgds / terry
